BEFORE THE NATIONAL LABOR RELATIONS BOARD

RAPID ARMORED CORP.  
Employer

and

Case 29-RC-11949

LOCAL 805, INTERNATIONAL BROTHERHOOD  
OF TEAMSTERS  
Petitioner

ORDER

On October 19, 2010, the Regional Director issued a Decision and Order dismissing the petition on the grounds that Petitioner is disqualified from representing the petitioned-for armored vehicle drivers and custodians whom the Regional Director found to be guards under Section 9(b)(3) of the Act. Petitioner filed a request for review of the dismissal of the petition. Although the Regional Director dismissed the petition, the Employer filed a request for review of the Regional Director's rationale. The Employer contended that the grounds upon which the Regional Director found the employees are guards are too narrow.

Petitioner now requests to withdraw its request for review. The Petitioner also seeks to withdraw the petition. The Employer opposes the withdrawal of the petition and seeks a ruling by the Board on its request for review.

Having carefully considered the matter, the Board grants Petitioner's request to withdraw its request for review. Because the Petitioner also seeks to withdraw the petition, we find it unnecessary to rule on the Employer's Request for Review at this time. This proceeding is remanded to the Regional Director for a ruling on the Petitioner's request to withdraw the petition and any further appropriate action.
